

BridgeAI
TRANSFORMING EDUCATION,
EMBRACING DIVERSITY

Project Nr. 2024-1-SE01-KA220-SCH-000243601

"BridgeAI empowers young learners to navigate the world of Artificial Intelligence while fostering diversity and inclusion in education."

Policy Reform Report

The report was developed using project results, teacher and student data, stakeholder feedback, and comparative desk research across partner countries.

Action Plan

A practical roadmap was created with strategic objectives, implementation measures, responsible actors, timelines, and monitoring indicators.

National Events

Partners organised multiplier events and conferences in their countries, welcoming both onsite and online participants and exceeding the expected participation targets.

Final Project Meeting – Greece

Project partners met in Greece for the final Transnational Project Meeting to review project achievements, validate the Policy Reform Report and Action Plan, discuss sustainability, and plan the long-term exploitation of BridgeAI results.

Finalizing our Journey!

The Policy Reform Report and Action Plan are available on the project website in all partner languages.
